Hallow'een.

The years creep slowly by Lorena, Hallow'een is with us once again. It is a great time for the young folks, but it is hoped that they will discriminate between innocent fun and vandalism.

Rowan Sausley to Be Deputy.
The Interior Journal states that Mr. H. Rowan Sausley is to be one of Collector Hughes' deputies. The Judge could not appoint a more deserving Democrat, and we join the gentleman's friends in urging that he do so.

Good Statement.

The Madison National Bank's statement, which appears in this issue, is a capital one. The stock sold the other day at \$185 and none is on the market even at that price. Cashier R. R. Burnham is to be congratulated on the showing of this solid institution.

Swansdown Flour for cakes. Lackey & Todd, phone 62. to 95-11

False Pretense.

The man who registers as a Democrat and votes another ticket, makes false pretenses, which while not punishable under the law as obtaining money by false pretense, should be made a finable offense. There is no necessity for such dissembling.

Back Broken.

We think we may say without fear of contradiction or of successful controversy that the back bone of the long drawn out drought has at last been broken. The rains of the last week fractured its vertebrae. Yesterday's down-pour shattered it. Wheat, which laid dormant for a while, is coming out nicely and the fields are green.

A Steer Too Many.

Mr. John F. Wagers says he shipped 56 cattle from the L. & N. pens here October 15, but when loaded he found he had 57. He called up his brother, Ambrose, and told him to look around and see if there 57 cattle, and if he could find one that did not go with that bunch of cattle to weigh him to himself. Mr. Wagers asks if any one has lost a steer about the shipping pens to go and see him.

Opera House Tonight.

An excellent program of pictures—American Western drama, "Red Sweeney's Defeat," featuring "Ed Coxen." Majestic drama, with the new Majestic stars, Frances Billington and Billy Garwood. Hear the Opera House Orchestra every night.

Rice's Good Record.

Mayor Rice has made a fine record during his term of office and is justly entitled to an endorsement. Besides, he is the Democratic nominee and should be supported by every Democrat. During Mayor Rice's incumbency he has paid off the old floating debt of about \$10,000 and put the city on a cash basis, besides instituting many reforms. Stamp under the rooster and that will take in this faithful officer.

We have a full line of Cow Pens, pure German Millet, Sorghum Seed, Etc. Covington Thorpe Co. 57-11

Vote Straight.

If there is any reason, good or bad, for retiring County Clerk R. B. Terrill for a new and untried man, we have never heard it. Mr. Terrill has made a most efficient officer, is gentlemanly and obliging, and just the man for the office he holds. Let's keep him there. Press the stencil that you will find in the voting booth in the circle under the rooster and your vote will be recorded for him and the entire ticket.

Some Stiff Sentences.

In the Police court this morning, Mrs. Mary Dargavel was fined \$100 each in three cases for violating the local option laws. James Story, Jesse Edgerton, Ike Fife and John Jones caught a fine of \$5 each for being drunk and disorderly. Charles Easley was fined \$50 and given 30 days in jail for violating the local option laws and attempting to shoot a brakeman. He had nine quarts of whiskey when arrested. John Taylor evidently got ashamed to appear to prosecute the negro woman for robbing him and the case was dismissed.

Slice Dill Pickles.

Circuit Court.

The case on trial when we went to press Friday, Mrs. Florence Butler against the Richmond Lumber Co. for levying on her automobile for the debt of another party resulted in a verdict in her favor of \$2,200, \$850 as damages and \$1,350 for the machine, which may be returned to credit the latter amount. The other civil cases tried since last report have been of an unimportant character.

Like a woman who when she wills she wills and thinks an end of it, Judge Benton will that the trial of Brack Maupin for the murder of James Farris should be tried at this term, notwithstanding the many adverse circumstances, and it was begun at noon today. Seventy-two men had been summoned from Clark and all seemed to have responded. After the preliminaries, the selection of the jury began at 2 o'clock and was in progress as the Climax went to press. Judge Benton hoped to have it completed in time for the rest of the Clark county men to return on the 5:07 train. The Commonwealth is represented by her attorney, B. A. Crutcher, Smith & Smith and A. Floyd Bird, the latter of Lexington. Maupin's lawyers are Messrs. Tevis Cobb, Wallace & Wallace and John Noland. The trial will presumably not end before Friday or Saturday.

The juries have been dismissed till Saturday and the murder case of Sid Winkler was continued to that day.

Miss Tommie Cole, of Covington.

Painful Accident.

Sunday afternoon while walking on the pavement in front of Scott property corner of Third and Irvine streets, Mrs. George W. Picke's stepped on a banana peel and fell, sustaining a painful but not serious accident. Her right hip was bruised and left wrist badly sprained. She was conveyed to her home being unable to walk and will be confined several days.

What Parcel Post Did.

A Lexington woman who has some twenty-five boarders and who has been paying 30 to 40 cents per pound for butter solved the problem by placing an order for butter with a farmer in a adjoining county, which she receives twice each week in ten pound shipments by parcels post. The postage is 9 cents for each 10 pound package. The butter costs her 25 cents per pound, and with the postage added a total of not quite 26 cents per pound—Lexington Herald.

Automobile Accident.

Sunday afternoon Mr. W. T. Vaughn, accompanied by his niece, Miss Esther Curt and Miss Rachel Parrish, was enjoying a pleasure ride on the Lexington pike. When about 8 miles out near the home of Mrs. Sallie Langford, Mr. Vaughn took occasion to look at his watch and while doing this the automobile ran over a ten foot embankment and turned completely over. Both of the ladies sustained painful injuries, their collar bones being broken besides sustaining a general shake up. Beyond scratches about the face Mr. Vaughn escaped unhurt. Mr. Chas. Higgins responded quickly to a telephone call and brought the injured ladies to their home on Fifth Street in an ambulance. Medical aid was promptly on hand and when last heard from both ladies were doing well.

Commissioner Rice's sale of about 117 acres of land in the case of McCord, at 11 o'clock a. m., Wednesday, October 29, at the court house door. The sales have all been advertised in the Climax.

Remember Next Tuesday.

It earnestly hoped that no Democrats will be so negligent of public duty as to fail to go to the polls Tuesday and vote the ticket under the rooster from top to bottom. Don't stay at home and let any of the opposition candidates slip upon us by their gum shoe methods.
